Pagadian City, ZDS, Philippines 7016 | 09934361130 | jakeronaldsinon@gmail.com | jakeronaldsino.github.io/jakeportfolio

PROFILE

Detail-oriented General Virtual Assistant with over 4 years of remote experience supporting clients across data entry, internet research, lead generation, e-commerce product listing, CRM management, social media management, and customer service. Proficient in MS Office, Google Workspace, Shopify, Etsy, eBay, GoHighLevel (GHL) CRM, and hiring portals. Known for accuracy, reliability, and quickly adapting to new tools and lines of business.

SKILLS & TOOLS

- Data Entry & Internet Research
- Lead Generation
- Product Listing & SEO Optimization (Shopify, Etsy, eBay, C24)
- CRM Management (GoHighLevel - buyer & sales thread creation/updates)
- Social Media Management (Facebook Business Suite)
- Customer Service (Inbound/Outbound, Chat & Voice)
- MS Office, Google Workspace, Canva

WORK EXPERIENCE

Admin Support Specialist — Healthcare Applications (Freelance, Remote) | *June 2025 – January 2026*

- Performed data entry and document review for healthcare professional applications (RN, MSN, NP, MD, and other roles), verifying licenses and credentials before submission.
- Submitted high-volume applications through hiring portals with accuracy and attention to detail.

Product Listing Specialist — C24 & eBay (Watches) (Freelance, Remote) | *September 2024 – October 2025* (concurrent freelance)

- Created and optimized SEO-focused product listings (titles, descriptions, and tags) for watches on C24 and eBay.
- Updated and maintained buyer and sales records in the GoHighLevel (GHL) CRM, creating and managing threads for buyer communication, sales tracking, and listing updates.
- Conducted competitor research on pricing and trends, maintaining accuracy across all listings.

Social Media Manager — Facebook Engagement (Freelance, Remote) | *June 2024 – August 2024*

- Managed Facebook engagement and post scheduling to grow visibility and audience interaction.

Medicare Outbound Specialist | *January 2024 – May 2024*

- Conducted outbound calls explaining Medicare plan coverage in line with compliance guidelines.
- Consistently met daily call quotas and accurately documented results.

Customer Service Representative — Chat & Voice Support, OP360 | *February 2023 – December 2023*

- Provided live chat and voice support, resolving billing, account, and service concerns.
- Maintained customer satisfaction and consistently achieved KPI targets.

Data Entry & Research Specialist, Infostream Solutions | *January 2022 – June 2022*

- Performed backlink checking, citation building, and directory submissions.
- Set up account profiles and conducted internet research for data entry tasks.

Product Listing Specialist (Shopify & Etsy), Momentum Apex LTD | *June 2021 – December 2021*

- Listed and optimized 15+ Shopify and Etsy products daily with SEO-focused titles and descriptions.
- Maintained 98% accuracy across product details through ongoing competitor research.

Virtual Assistant (Freelance), VAStaffer | *April 2020 – January 2021*

- Provided data entry and administrative support, including file and form management.
- Conducted internet research tasks to support client operations.

EDUCATION

Saint Columban College

Bachelor of Science in Information Technology (BSIT)
